My Bible Buddy Notebook

My Bible Buddy's Name is:

What's a Bible Buddy?

How often do you think about God during the day? How often do you pray to God? How often do you thank God? How about bible study? Do you do this anytime other than Sunday school?

Many of us get caught up in our lives and forget who gave us our lives. We forget to serve our Creator, our Savior. Let's set a goal this summer to remember God EVERY SINGLE DAY. You get your very own Bible Buddy to remind you to think of God. How's a Bible Buddy going to help? You will have a plan to teach your Bible Buddy about God. Here's some ideas:

- Tell your buddy a bedtime bible story
- Watch a bible cartoon with your buddy
- Pray with your buddy
- Sing bible songs with your buddy
- Take your buddy on a walk and show it all the things God made
- Show your buddy how to serve others. You can show it how to do the dishes for Mom and Dad, make a Get Well card for someone who is sick, or take cookies to a neighbor.

These are just a few ideas. I bet you can come up with some more! Keep a notebook that tells what you do with your buddy so at the end of the summer we can see how often you thought about God.
